## Education

**I.F.E.T COLLEGE OF ENGINEERING**

**Villupuram**

**B.E – CSE, 7.67**

Oct 2021 – May 2025

## Work Experience

**Web Developer Intern - Nan Logical Consultancy Services Pvt,**

Jan 2025 – Mar 2025

- Contributed to designing and developing user-friendly, responsive web interfaces for client projects using HTML, CSS, JavaScript, and React.
- Collaborated with the design and backend teams to enhance the website's functionality and user experience, adhering to agile methodologies.

## Projects

**AI Resume Analyzer and Tracker - Recruitment & HR Tech** [Project Link](#)

[React / React Router / Puter.js / Tailwind CSS / AI / TypeScript]

Apr 2025 - Jun 2025

- Developed an AI-powered, cloud-based resume evaluation tool that matches resumes with job listings, generates ATS scores, and delivers personalized feedback via interactive dashboards.
- Implemented secure browser-based authentication using Puter.js and built a fully responsive UI with Tailwind CSS, leveraging scalable and reusable components for efficient and maintainable development.

**Business with Advanced Analytics and Predictive Modeling - E-Commerce & Retail**

[Project Link](#)

[MySQL / Python / Django / Machine Learning / Pandas / Matplotlib / Data Visualization]

Jan 2025 - Apr 2025

- Analyzed 30,000+ shopping mall transaction records using Python and SQL, identifying customer behaviour patterns and spending trends for data-driven decision-making.
- Developed an interactive Django web application with dynamic filtering and a predictive analytics dashboard featuring bar charts, line graphs, and pie charts, improving operational efficiency by 25% and enabling business forecasting.

**MediBook Pro - HealthCare Appointment App** [Project Link](#)

[HTML / CSS / JavaScript / React.js / Vite / Front-end]

Jun 2025 - Jul 2025

- Developed a modern healthcare appointment booking platform using React.js, Vite, HTML, CSS, and JavaScript, allowing patients to book, manage, and track doctor appointments seamlessly.
- Designed a fully responsive, user-friendly interface with optimized performance and smooth navigation, ensuring a fast, scalable, and efficient healthcare management experience.

## Certifications

- PCAP Programming Essentials in Python - Cisco
- The Complete Full Stack Web Development - Udemy

- Oracle Certified AI Foundations Associate - Oracle
